The writings of Ann Charters...she has written many books about these writers.

Lead Presenters:

J. Michael Mahar has been a friend of Gary Snyder since boyhood and a friend of Philip Whalen since Reed College in the late '40s. He graduated from Reed College in 1953, attended graduate school at Cornell University from where he received a Ph.D in Anthropology. He has been doing research in India for the past 50 years and was on the Faculty of the University of Arizona for over 40 years.

Alice Moss attended Reed College 1948-1952. Received BA and MSW from Portland State University in 1962 and 1964. Worked for social service agencies, primarily as a Psychiatric Social Worker. Knew both Gary Snyder and Philip Whalen at Reed and after. Last talked with Philip shortly before his death. Also knew Lew Welch and Don Berry slightly when living at 1414 Lambert Street.
